

COVID 19 POLICY UPDATE 11/28/22

Effective November 28, 2022 the Italian Cultural Center (ICC) no longer requires a proof of vaccination or a COVID-19 negative test for in-person classes and events.

Masking is optional. You may choose to wear a mask if you deem it necessary to protect your and other people's health.

ICC recommends the following measures:

- Stay home if you feel sick
- If you tested positive or have symptoms of COVID-19, stay home until your health care provider tells you it is safe to stop isolating. Refer to MDH quarantine guidance (<https://www.health.state.mn.us/diseases/coronavirus/close.html>)

ICC will continue to monitor the COVID-19 developments and follow CDC recommendations. The measures currently in place are subject to change and may be revised any time.

Thank you for your collaboration.
